## CITY OF WHITEHORSE SAFE SNOWMOBILER CARD – NOW A RIDER REQUIREMENT

Snowmobile operators must be at least 16 years old and have a Safe Snowmobiler Card, valid driver's license, insurance, certificate of registration (attached license plate) and an approved helmet. To obtain your official City of Whitehorse Safe Snowmobiler Card or to learn more about the rules and regulations, please visit [www.whitehorse.ca/snowmobiles](http://www.whitehorse.ca/snowmobiles).

## RESPECTFUL RIDING IN RESIDENTIAL AREAS

When travelling to the trails within city limits, the City of Whitehorse Snowmobile Bylaw requires riders to travel respectfully and slowly, especially when close to residential areas.

- On the roadway the maximum speed is 30 kilometers per hour
- When operators are traveling on the roadway, it must only be for the purpose of travelling to a permitted area and must be the most direct route
- Outside the roadway, maximum speed is 50 kilometers per hour unless posted otherwise.
- When approaching or passing a pedestrian, skier or dog, snowmobile operators must reduce their speed to 15 kilometers per hour.

## ENVIRONMENTALLY SENSITIVE AREAS WITHIN WHITEHORSE

Staying on approved motorized multi-use trails and away from environmentally sensitive areas will reduce your impact on the environment.

### Please stay away from:

- Campgrounds
- Boulevards
- Cemeteries
- Areas designated as environmentally sensitive
- The Downtown area
- The Millennium Trail
- Playgrounds
- Restricted roadways
- Roadways (except most direct route to a permitted area)
- School playgrounds
- A ski trail
- Open water
