Boarding and de-boarding a City Bus

**A guideline for using
the public transit system**

Please follow this guideline and our buses will bring you to your destination faster than ever:

1. Please be at the bus stop on time (5 minutes earlier is recommended) - the driver will not wait or stop again after leaving the Bus Stop.

2. Have your money, ticket or pass and your belongings ready before you enter the bus.

3. Transfers are not valid for return trips or "shopping stopovers". They are only valid for the next connecting bus in the same direction.

4. Hold on handrails all the time and expect fast movements of the vehicle.

5. Please use the first available seat.

6. Ring the bell for your stop as early as possible.

7. When you leave the bus please have all your belongings with you and be ready to go.

8. Please exit the bus at the back door (except passengers with small children).

9. We have many more transfer locations than the two central stops near Main Street. Please feel free to ask for more information and how to transfer more conveniently!
