Staff in the Spotlight

Pam

Pam has lived in Whitehorse for 8 years. She moved here from Yellowknife, NT which is where she was born. She has lived in the north her whole life and still can't get enough of all it's peacefulness and beauty. Being outdoors is her favourite way to spend her time. Camping, hiking and photography are a few of the things she loves to do.

Pam is one of the preschool teachers at Purple Stew and has been there for 7 years. She has her diploma in Early Childhood Education and has been working with preschoolers for 27 years. Pam enjoys getting to know the children and their families and being part of an awesome team that provides such a great place for children to grow, learn and have FUN!

Most of all, Pam loves the time she gets to spend with children! "No day is ever the same and there is never a dull moment. The kids can brighten any day and they make me smile and laugh daily!" Seeing them having fun, hearing their laughter and watching them grow and learn are some of the best parts of her day.

Purple Stew

Make new friends and learn many new skills in this exciting and ever popular program.

We believe in the development of the whole child: intellectually, socially, physically and emotionally. Our instructors work with each individual child to assist them on their road to independence with an emphasis on learning through language development, free play, songs, crafts, stories and at least 20 minutes of indoor active play.
