

CHILD & YOUTH PROGRAMS

Staff in the Spotlight

Kelvin

Kelvin is one of our all-star Activity Monitors and regularly runs the after school care program, The 3 o'clock Craze, at Shipyards Park. Kelvin was born and raised in Oshawa, Ontario and came to the Yukon five years ago with Katimavik, a government volunteer program. Since then, Kelvin has put a large amount of effort into making lacrosse more popular in the Yukon. In addition to lacrosse, he also enjoys playing hockey and football. If Kelvin is not playing any sports you can catch him walking his dog or watching a New York Giants or Montreal Canadiens game around town. Kelvin's passion for sports is evident and he truly believes sports teach youth important life skills that set them up for future success. He loves working with youth and strongly believes it is important for them to have positive role models to go to for advice and guidance.

General Interest

Guitar Lessons - Beginner

Playing music has been shown to enhance a child's life. It can improve study skills and concentration but mostly, it is a healthy way to feel good and to share good feelings with others. Playing music is not for everyone but have you ever wondered if your child would enjoy playing an instrument? You can both find out in this wonderful beginner course with our instructor Nick Mah. Guitars and Ukuleles supplied.
