### **ADJOURNMENT**

MINUTES of **REGULAR** Meeting #2019-05 of the council of the City of Whitehorse called for 5:30 p.m. on Monday, March 11, 2019, in Council Chambers, City Hall.

PRESENT: Mayor Dan Curtis  
Councillors Dan Boyd  
Laura Cabott  
Jocelyn Curteanu  
Samson Hartland  
Stephen Roddick  
Jan Stick

ALSO PRESENT: City Manager Linda Rapp  
Director of Community and Recreation Services Jeff O'Farrell  
Acting Director of Corporate Services Lindsay Schneider  
Director of Development Services Mike Gau  
Director of Infrastructure and Operations Peter O'Blenes  
Manager of Strategic Communications Myles Dolphin  
Manager of Legislative Services Catherine Constable  
Assistant City Clerk Norma Felker

Mayor Curtis called the meeting to order at 5:30 p.m.

**CALL TO ORDER**

**2019-05-01**

It was duly moved and seconded  
THAT the agenda be adopted as amended with the changes being the deletion of Linda Berardi as a delegate and the addition of Sylvie Binette, John Bunbury, Paula Pawlovich and Chief Kristina Kane as delegates, all speaking to the Official Community Plan amendment to allow for the development of a quarry.

**AGENDA**

Carried Unanimously

**2019-05-02**

It was duly moved and seconded  
THAT the minutes of the regular council meeting dated February 25, 2019 be adopted as presented.

**MINUTES**

February 25, 2019

Carried Unanimously

**DELEGATIONS**

Dr. Richard Runyon advised Council that he is not a medical doctor, but has researched the issue from a scientific background. He noted that particulates from quarries can adversely affect air quality and lung development in children, and can travel as far as 1.2 kilometres from the quarry site. He also noted that Valleyview residents have had a lot of experience with quarry operations in the past year, and most of those experiences have been negative.

Dr. Richard Runyon

Sylvie Binette advised that she has a number of health and safety concerns with the proposed quarry as well as the cumulative impacts of two major quarry operations so close to a residential neighbourhood. She asked if any research has been done with respect to potential groundwater contamination, and also asked about who would monitor the site with respect to air pollution. She noted that the proponent spoke about the depth of the sand and gravel reserves at this site and mentioned a 20 year proposal when the project was presented last week. Ms. Binette stated the opinion that too many questions should have been resolved before this proposal came forward.

Sylvie Binette

John Bunbury stated that he is a member of the Ta'an Kwäch'än Council and is not in favour of this project. He noted that there is no structured plan in place for the development of this parcel and stated that proper plans and procedures should be in place before any work on this parcel of land proceeds.

John Bunbury

Paula Pawlovich noted that no solid business plan has been presented to support this application and asked if it is possible for the City to request that the application be delayed. Ms. Pawlovich said that she is aware that further studies will be conducted if this bylaw is approved, but expressed a lack of confidence in these reviews since in a recent Yukon Government consultation a decision was announced the day after public input closed.

Paula Pawlovich

Ta'an Kwäch'än Council Chief Kristina Kane stated that the members of the Ta'an Kwäch'än Council are and always have been stewards of the land. She advised that the proposal for the quarry arose out of the need to bring the grade down to allow for future development. It was noted that the time frame for development is the same as the adjacent Tank Farm property, which is two to seven years.

Chief Kristina Kane

Chief Kane asked the City to consult directly with the Ta'an Kwäch'än Council on the Official Community Plan review that is now under way.

Mayor Curtis thanked the delegates for their presentations on this issue. He noted that If council agrees to bring the proposed bylaw forward under the bylaw process, a public hearing will be held at the regular council meeting on April 8<sup>th</sup> where council will be able to hear from other citizens with respect to this issue.

Delegates Thanked

THAT two resolutions be forwarded to the Association of Yukon  
Communities for consideration by the membership at the 2019  
Annual General Meeting. The resolutions are:

A **Respectful Engagement**

WHEREAS the Yukon Government pledged to work in partnership  
with communities and municipal governments to build sustainable  
and diverse economies and support local solutions to local problems;  
AND WHEREAS the Yukon Government is undertaking or has  
recently undertaken policy development and implementation on  
matters that significantly affect Yukon communities such as carbon  
tax reimbursement, Community Development Fund eligibility, *Motor  
Vehicles Act* revisions, *Public Airports Act*, Yukon Tourism Strategy,  
single use plastics, and waste management;

AND WHEREAS communities did not feel that meaningful  
consultation occurred in some instances, or in others that follow-up  
on the outcomes from consultation discussions did not occur prior to  
the Yukon Government’s decisions being made;

BE IT RESOLVED that the Association of Yukon Communities urges  
the Yukon Government to engage in respectful and meaningful  
consultation with Yukon municipalities and Yukon First Nations prior  
to establishing and implementing new or revised policies on matters  
that will affect their communities.

**B     Infrastructure Funding**

WHEREAS the Yukon Government pledged to work in partnership with communities and municipal governments to build sustainable and diverse economies and support local solutions to local problems; and

WHEREAS Yukon municipalities are extremely pleased to see the importance the federal government is placing on funding community infrastructure projects; and

WHEREAS Yukon municipalities have been disappointed by the government's administration of federal government infrastructure funding, including fair distribution amongst communities, roll-out of decision making, and predictability of funding; and

WHEREAS the Association of Yukon Communities believes that Yukon Government administration of federal government infrastructure funding to date has not effectively or equitably responded to Yukon community priorities;

BE IT RESOLVED that the Association of Yukon Communities urges the Yukon Government to streamline its processing of applications for federal infrastructure funding to enable timely responses to municipalities and increased predictability of funding levels; and

BE IT FURTHER RESOLVED that the Association of Yukon Communities urges the Yukon Government to achieve more equitable distribution of federal infrastructure funds amongst Yukon municipalities to achieve a better balance with respect to needs, priorities and population size; and

BE IT FURTHER RESOLVED that the Association of Yukon Communities urges the Yukon Government work more closely with municipalities in determining the priority for projects within their communities that will receive federal infrastructure funding; and

BE IT FURTHER RESOLVED that the Association of Yukon Communities urges the Yukon Government to work with Yukon communities to develop a longer-term plan to support investments in community infrastructure.

**2019-05-05**

It was duly moved and seconded

THAT each of the proposed resolutions be voted on separately.

Carried Unanimously

Motion for Separate Votes

**2019-05-06**

It was duly moved and seconded  
THAT the final “whereas” clause and the “be it resolved” clause of the *Respectful Engagement* resolution be amended to read:

“WHEREAS communities did not feel, in some instances, that meaningful or sufficient consultation occurred prior to the Yukon Government’s decisions being made;

Amendment #1

BE IT RESOLVED that the Association of Yukon Communities urges the Yukon Government to ensure respectful and meaningful consultation with Yukon municipalities and Yukon First Nations prior to establishing and implementing new or revised policies on matters that will affect their communities.”

Carried Unanimously

**2019-05-07**

It was duly moved and seconded  
THAT the third and fourth “whereas” clauses and the second “be it resolved” clause of the *Infrastructure Funding* resolution be amended to read:

“WHEREAS Yukon municipalities rely on Yukon Government’s administration of federal government infrastructure funding, including fair distribution amongst communities, timely roll-out of decisions, and predictability of funding; and

Amendment #2

WHEREAS the Association of Yukon Communities believes the Yukon Government administration of federal government infrastructure funding to date is not meeting the priorities or needs of Yukon communities;”

“BE IT FURTHER RESOLVED that the Association of Yukon Communities urges the Yukon Government to ensure equitable distribution of federal infrastructure funds amongst Yukon municipalities, considering needs, priorities and population size; and”

Carried Unanimously

The main motion as amended was voted on and Carried Unanimously.

Vote on Main Motion

In response to a query from a Committee member, Administration advised that, in addition to the Sustainability Plan, the ranking system used in the creation of current budgets included strategic priorities, risk management initiatives, customer service impacts and financial and economic impacts. The ranking system is revised annually. It was suggested that the review criteria be available on the City’s website so that there is increased transparency with respect to Council decisions.

**City Planning Committee**

**2019-05-08**

It was duly moved and seconded  
THAT Bylaw 2019-11, a bylaw to amend the Official Community Plan to allow for a quarry on Ta'an Kwäch'än Council Settlement Land Parcel C-30B, be brought forward for consideration under the bylaw process; and

BRING FORWARD  
OCP AMENDMENT FOR  
TKC QUARRY

THAT the proponent be required to host a public meeting regarding the Official Community Plan amendment prior to the scheduled date for the public hearing.

Carried (6 – 1)

Council members expressed a number of views on the proposed bylaw, including the opinion that proceeding with the bylaw would potentially be challenging the Ta'an Kwäch'än Council Final Agreement.

One member stated that it is difficult to see how this application can be seen as compatible with other land uses in the area and noted that the proposal as it stands creates long-term uncertainties for neighbouring property owners. It was also noted that the time and costs involved will have enormous impacts on the community and the City.

One member stated that there was too little detail provided in the original proposal. Another member noted that the issues of impacts on neighbouring parcels need to be assessed, and stated the opinion that there are too many unknowns at this time.

Discussion

Other members declared that a decision to proceed with the bylaw process will offer opportunities for council to gather the information that is needed, hear more opinions, and learn more about potential benefits as well as impacts. It was also noted that proceeding with the bylaw process will allow council members to consider and discuss all sides of the issue in order to make an informed decision.

## MEMORANDUM

FILE #: Z-01-2019

TO: Mayor and Council  
FROM: Administration  
DATE: March 25, 2019  
SUBJECT: Public Hearing – March 25, 2019

---

Please be advised there will be a Public Hearing at the regular council meeting of March 25, 2019, to hear from interested parties related to the following zoning amendment:

**Bylaw 2019-08, amending the Zoning Bylaw to allow for private retail sale of cannabis and cannabis-containing products in additional zones**

In November 2017, the Yukon Government (YG) released its proposed framework for legalizing cannabis in Yukon. This framework was developed in response to the Government of Canada's decision to legalize cannabis at the federal level in July 2018. In the first phase of framework implementation, YG was the sole authority to sell recreational cannabis. In early 2018 the City of Whitehorse passed a bylaw to accommodate the YG cannabis retail store as a new zoning bylaw use, but only within the Marwell area. The YG store opened on Industrial Road in October 2018.

Regulations governing the licensing and location for private sale of cannabis in Yukon were approved by YG in December 2018. Yukon Liquor Corporation is expecting to be in a position to accept applications for new operations in April 2019.

Administration met with Yukon Liquor Corporation staff on several occasions to discuss Federal and Territorial regulations, researched approaches from other cities across Canada, and conducted a public survey. The survey had 161 responses. Stakeholder groups, including Whitehorse Chamber of Commerce and YG Health and Social Services, were also contacted regarding the proposed bylaw.

Bylaw 2019-08 received 1<sup>st</sup> Reading on February 25, 2019. Notices were published in the newspapers on March 8 and 15, 2019. A total of 803 letters were sent to those who either owned property in one of the zones proposed for cannabis retail sales or within 100 m. A total of 67 letters were sent to property owners within 1000 m of a property in MacRae where Administration is proposing to prohibit cannabis retail sales. Yukon Government Lands Department, Kwanlin Dün First Nation, and Ta'an Kwäch'än Council were also notified by mail of the proposed amendment. The Downtown Residents Association and Whitehorse Chamber of Commerce were notified by email.

<b>Staff Present</b>	Linda Rapp, City Manager Krista Mroz, Acting Director of Community and Recreation Services Valerie Braga, Director of Corporate Services Mike Gau, Director of Development Services Peter O’Blenes, Director of Infrastructure and Operations Patrick Ross, Manager of Land and Building Services Myles Dolphin, Manager of Strategic Communications Norma Felker, Assistant City Clerk

---

Your Worship, the Public Health and Safety Committee respectfully submits the following report:

### **1. Amend Business License Bylaw (Cannabis Related)**

Early in 2018 Council passed amendments to the Zoning and Business License Bylaws in anticipation of the legalization of recreational cannabis. The bylaw amendments were approved before Yukon regulations were in place. The Yukon Government has now established regulations for the private retail sale of cannabis, and some of the regulations incorporated into the City’s Business License Bylaw are now redundant.

The private sale of cannabis will not be able to be licensed under the Business License Bylaw until the Zoning Amendment to accommodate the retail sale of cannabis has been adopted by Council. It is anticipated that the zoning amendment will be given third reading by the end of April.

Removing redundant regulations from the Business License Bylaw will relieve the City of some enforcement duties as the enforcement will be carried out by the Yukon Liquor Corporation. Administration is also proposing to add a requirement that all applicants

for a business license for the retail sale of cannabis provide a copy of a valid licence to sell cannabis products issued by the Yukon Liquor Corporation.

Other amendments being proposed in this bylaw include the addition of a definition for “restricted goods” and an update of the definition for “Retail Services, Restricted” to align with the definitions set forth in the City’s Zoning Bylaw and being proposed for amendment under Bylaw 2019-08.

**The recommendation of the Public Health and Safety Committee is**

THAT Bylaw 2019-13, a bylaw to amend the Business License Bylaw with respect to the private retail sale of cannabis and cannabis-containing products, be brought forward for consideration under the bylaw process.

---

Your Worship, the Development Services Committee respectfully submits the following report:

### **1. Local Improvement Charges – Cook Street Reconstruction**

Cook Street is identified for full reconstruction of the roadway and deep utilities. Replacing aging water and sewer infrastructure will contribute to sustainability goals. Other benefits include upsizing the capacity of the infrastructure to meet a growing population density and the increase in service needs in the downtown area. In addition to the underground work, the project includes concrete sidewalks, curbs, gutters, and new asphalt paving that will significantly improve accessibility and pedestrian safety.

Federal Investing in Canada Plan funding has been applied for but is yet to be approved. The majority of the project costs will be allocated from City reserves. A local improvement charge levied against benefitting properties is proposed for a portion of the improvements. Avenue-side frontage of corner lots is not proposed to be included in the local improvement charges recovered from property owners.

Preliminary support for the work has been indicated by property owners, and the next step is to initiate the local improvement charges bylaw. Final confirmation of the project would be approval of the project in the 2020 capital budget.

**The recommendation of the Development Services Committee is**

THAT Bylaw 2019-09, a bylaw to provide for a work of local improvement on a portion of Cook Street from 4<sup>th</sup> Avenue to the escarpment, be brought forward for consideration under the bylaw process.

## Minutes of the meeting of the Corporate Services Committee

<b>Date</b>	March 18, 2019
<b>Location</b>	Council Chambers, City Hall
<b>Committee Members Present</b>	Councillor Samson Hartland – Chair Councillor Laura Cabott – Vice-Chair Mayor Dan Curtis Councillor Dan Boyd Councillor Jocelyn Curteanu Councillor Stephen Roddick – Electronic Participation Councillor Jan Stick
<b>Staff Present</b>	Linda Rapp, City Manager Krista Mroz, Acting Director of Community and Recreation Services Valerie Braga, Director of Corporate Services Mike Gau, Director of Development Services Peter O’Blenes, Director of Infrastructure and Operations Michael Reyes, Manager of Business and Technology Systems Brittany Dixon, Acting Manager of Financial Services Myles Dolphin, Manager of Strategic Communications Norma Felker, Assistant City Clerk

---

Your Worship, the Corporate Services Committee respectfully submits the following report:

### **1. Re-budgeting 2018 Capital Expenditures**

Some projects included in the 2018 capital budget were not fully completed for a variety of reasons. If these projects are to be completed, funds that were set aside in 2018 have to be re-budgeted into 2019. The management group reviewed their outstanding capital projects and identified those that require re-budgeting.

It is anticipated that most of the projects being brought forward will be completed this year. The majority of the projects are funded from outside sources such as Gas Tax and government grants. The remainder are funded from appropriate City reserves. There are no requests for additional funds.

**The recommendation of the Corporate Services Committee is**

THAT Bylaw 2019-06, a bylaw to amend the 2019 to 2022 capital expenditure program by re-budgeting 2018 capital expenditures in the amount of \$34,190,520, be brought forward for consideration under the bylaw process.

**2. Fees and Charges Amendments (1<sup>st</sup> Quarter Changes)**

As part of the annual budget process, the Financial Services Department conducts a quarterly review of the Fees and Charges Bylaw and compiles a list of suggested additions and amendments as submitted by the management group.

First quarter changes are recommended that include some fee increases, the deletion of certain fees, and the addition of new fees with respect to vinyl bus wraps and a per person/per hour labour charge-out fee for Operations and Water and Waste personnel outside of normal work hours. Some changes to descriptions to add clarity are also proposed.

**The recommendation of the Corporate Services Committee is**

THAT Bylaw 2019-12, a bylaw to amend the Fees and Charges Bylaw, be brought forward for consideration under the bylaw process; and

THAT the 2020 and 2021 Provisional Operating and Maintenance Budgets be increased in the amount of \$5,133, offset by transfers to the General Reserve for the additional revenue.

**3. Contract Award – Network Switches**

The 2019 capital budget includes funds for the supply of network switches for the new Operations Building and Replenishment project. Nineteen parties viewed the tender documents, and three compliant submissions were received in response to the request for tender issued. An internal review committee agreed that the low bidder is familiar with the scope of work and has the knowledge and experience to complete the work successfully. The prices submitted are reasonable and within budget.

**The recommendation of the Corporate Services Committee is**

THAT Administration be authorized to award the contract for the supply of Network Switches for the new Operations Building and Replenishment project to Atwell Systems Inc. for a net cost to the City of \$192,539.23 plus GST.

**4. Local Procurement – For Information Only**

In light of a recent tender where the procurement was awarded to an outside firm when there was a small price difference between the winning bid and that of a local supplier, a Committee member expressed concern that more such unfortunate events could occur

before the Procurement Policy will be brought forward for consideration. The question was raised if Council was interested in improving opportunities for local business in the short term while the policy review is still pending.

Councillor Boyd gave notice that at the next regular council meeting on March 25, 2019 he would bring forward a motion that reads as follows:

“THAT the Senior Management Team be directed to review all potential tenders being considered between the present and the conclusion of the review of the Procurement Policy; and

THAT Administration be directed to present recommendations to Council on the best method to use when proceeding with individual tenders.”

Your Worship, the City Planning Committee respectfully submits the following report:

### **1. Public Hearing Report – Zoning Amendment (Administrative Edits)**

Proposed Bylaw 2019-07 contains a number of minor administrative amendments to the Zoning Bylaw to clarify interpretation and otherwise implement minor changes. Most of these changes have arisen from day-to-day use of the bylaw.

The bylaw proposes amendments to a number of sections including definitions, landscaping, specific use regulations, parking and loading, signage, specific zones and enforcement. One of the proposed amendments is a map-based zoning change to allow for a potential future elementary school in Whistle Bend.

No one appeared to speak to the bylaw at the public hearing. Six written submissions were received. Concerns were raised that requiring perennial landscaping in front yards is overly prescriptive and will not allow for annual plantings or local food production.

There was also a concern that requiring perennial plantings could lead to the additional installation of invasive species. Landscape plantings are required as part of any new development. The proposed change specifies that required plantings must be perennial

species. The regulations do not preclude the installation of further plantings such as flowers, shrubs or food gardens. The City also reviews development proposals for invasive species and works with the Yukon Invasive Species Council to keep information and resources for residents up to date.

Proposed changes with respect to the storage of compost and refuse bins will only affect corner lots that have two public street frontages. The purpose of this regulation is to maintain a visually appealing streetscape along both frontages and eliminate storage near the street.

Several comments were concerned with various bear attractants such as compost and refuse bins and landscape plantings such as berries and fruit trees. The City is currently looking at site-specific solutions such as bear-resistant compost and refuse bins in high-risk areas. Based on available data, the City has not identified berries and fruit trees as major attractants for bears.

A concern was raised that transportation issues could arise with the location for a future elementary school. If plans progress for a school at this location, street crossings and drop-off areas are issues that would be addressed at the development permit process.

**The recommendation of the City Planning Committee is**

THAT Bylaw 2019-07, a bylaw to amend the Zoning Bylaw with respect to a number of administrative edits, be brought forward for second and third reading under the bylaw process.

Your Worship, the Community Services Committee respectfully submits the following report:

### **1. Arctic Winter Games 2020 – One Year Out**

It is just one year until the 2020 Arctic Winter Games open in Whitehorse. Mayor Curtis proclaimed the week of March 18 to 24, 2019 to be Arctic Winter Games Celebration Week in the City of Whitehorse.

On behalf of the Arctic Winter Games 2020 Host Society, Jeane Lassen stated that the Arctic Winter Games are about much more than the sports scheduled for competition. They are about games activities, common community, friends made and memories created. She encouraged anyone interested in participating in the 2020 Games to come to the Games office in the Northern Vision Building on Ogilvie Street, and to show their support by purchasing Games wear that is now on sale at Sport Experts. She presented a brief video introducing the theme song chosen for the 2020 Games and showing highlights of past Games activities.

**2. Racism and Discrimination** – For Information Only

A Committee member noted that March 21 is the International Day for the Elimination of Racial Discrimination and, in light of recent acts of barbarism and destruction that result from racism and discrimination, all Canadians are encouraged to show solidarity in the face of this plague. The Canadian Commission for UNESCO is coordinating a social media campaign to raise awareness about racism and discrimination and the role we all play in eliminating it. The campaign focuses on inter-cultural dialogue to learn and draw strength from our differences. To participate, citizens are encouraged to engage in dialogue with persons of a different ethnicity to learn about their culture, history and interests and then post a video or photo of this encounter on social media with the tag @ccunesco #itstartswithme. It is hoped that this campaign will help debunk many of the stereotypes and prejudices that may lead to racism and discrimination.

**3. Transit Driver Appreciation Day** – For Information Only

The mayor thanked the City's transit drivers for their service in recognition of March 18<sup>th</sup> as Transit Driver Appreciation Day.

## **ADMINISTRATIVE REPORT**

<b>TO:</b> Mayor and Council
<b>FROM:</b> Administration
<b>DATE:</b> March 25, 2019
<b>RE:</b> Local Procurement

### **ISSUE**

On March 18, 2019 Councillor Boyd gave notice that he would bring forward at the next regular meeting of council on March 25<sup>th</sup>, 2019 a motion respecting local procurement.

In accordance with the Procedures Bylaw, the motion is now being brought forward for Council's consideration.

### **ALTERNATIVES**

1. Vote on the motion as presented
2. Amend the motion and then vote on it as amended
3. Postpone the motion to a future meeting with a specified date

### **MOTION TO BE CONSIDERED** *(Mover and seconder required)*

THAT Administration be directed to review all potential tenders being considered between the present and the conclusion of the review of the Procurement Policy; and

THAT Administration be directed to present recommendations to council on the best method to use when proceeding with individual tenders.

## BYLAW 2019-07

A bylaw to amend Zoning Bylaw 2012-20

---

WHEREAS section 289 of the *Municipal Act* provides that a zoning bylaw may prohibit, regulate and control the use and development of land and buildings in a municipality; and

WHEREAS section 294 of the *Municipal Act* provides for amendment of the Zoning Bylaw; and

WHEREAS it is deemed desirable that the City of Whitehorse Zoning Bylaw be amended with respect to a number of administrative edits;

NOW THEREFORE the council of the municipality of the City of Whitehorse, in open meeting assembled, hereby ENACTS AS FOLLOWS:

1. Section 2 of Zoning Bylaw 2012-20 is hereby amended by adding a new definition for “internal sidewalk” as follows:

“INTERNAL SIDEWALK” means an appropriately surfaced access route from the street and/or parking area that leads to the entrance(s) of residential dwellings.”

2. Section 2 of Zoning Bylaw 2012-20 is hereby amended by deleting the existing definitions for “lot area”, “lot line” and “outside storage”, and substituting therefore new definitions as follows:

“LOT AREA” means the total horizontal area within the lot lines of a lot. For panhandle lots, the lot area does not include the narrow driveway strip portion of the lot.

“LOT LINE” means the legally defined limit of any lot (also referred to as “property line” in this bylaw).

“OUTDOOR STORAGE” means the ancillary use of land for storage of equipment, goods, and materials in the open air.”

3. Section 5 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 5.1.1 and substituting therefore a new subsection 5.1.1 as follows:

“5.1.1 Accessory buildings or structures in residential zones are permitted without a development permit. Accessory buildings or structures in all other zones require a development permit.”

4. Section 5 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 5.5.2.8 and substituting therefore a new subsection 5.5.2.8 as follows:

“5.5.2.8 New landscape plantings shall consist of perennial herbaceous and/or woody plant species known to be hardy in the Whitehorse area. Where possible, to provide winter interest, evergreen shrubs and trees and/or deciduous shrubs and trees that have interesting bark, fruit, or form shall be used.

# Zoning Amendment Bylaw 2019-07

---

A list of recommended woody plant species is provided in Recommended Woody Plant Species for Whitehorse, which is available from Land and Building Services and the Parks and Trails Departments. The minimum size of deciduous trees is 60 mm calliper. The minimum size of coniferous trees is 1.75 m height as measured from ground level. The minimum size of shrubs is #2 pot (2 gallon) or 1.0 m height balled-and-burlapped as measured from ground level.

The ground of the landscape area must be covered with a landscape material, such as, but not limited to, turf-seeded, turf-sodded, weed barrier fabric, mulch, decorative pavers, washed gravel, shale or similar treatments and/or flower beds. A Development Officer may require a combination of different landscape ground cover treatments for the purpose of increasing the diversity and appeal of the landscape area. In no instances shall non-organic material be used as the sole landscape ground cover on a site. In the case where gravel, shale, mulch, or a similar loose material is used for landscaping, suitable containment must be implemented to the satisfaction of the Development Officer, to ensure that the material is maintained on private property and does not migrate on to public streets, sidewalks, etc.

Driveways, walkways, parking spaces and utility services boxes may interrupt a landscape planting area. These interruptions will not reduce the area used in calculating landscaping planting areas. Where the calculation of the total number of trees or shrubs required results in a fractional number, the total number of trees and shrubs required shall be the next highest whole number. Landscape plantings shall not obstruct sightlines within a sight triangle. Specific regulations by zone class are included in section 5.5.3.”

5. Section 5 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsections 5.5.3.1 a), b), e) and g) and substituting therefore new subsections 5.5.3.1 a), b), e) and g) as follows:

“5.5.3.1 a) All single detached, duplex, triplex and townhouse housing, where each dwelling is on a separate fee simple lot, shall have internal sidewalks and complete landscaping in the front yard to a minimum grass or xeriscape standard with at least one tree and three shrubs which must be installed within two years of issuance of the first occupancy approval. Where houses do not have lane access, a hard-surfaced driveway is also required. Where a lot fronts on two streets, the landscaping standard shall apply to both frontages. Landscaping will be completed in accordance with section 5.5.3 of this bylaw.

# Zoning Amendment Bylaw 2019-07

---

- b) All multiple housing developments shall have internal sidewalks and complete landscaping of the front yard, to be installed within two years of the issuance of the first occupancy approval. Where a lot fronts on two streets, the landscaping standard shall apply to both frontages. Landscaping will be completed in accordance with section 5.5.3 of this bylaw.
  - e) Landscape plantings are required for new developments in all residential zones. Except as required by 5.5.3.1 a), the required landscape planting area in square metres is calculated based on 3.0 m x total public road frontage of the property in metres. There will be one tree planted per 25 m<sup>2</sup> landscape planting area or one shrub planted per 15 m<sup>2</sup> landscape planting area, or any combination thereof to meet the standards. Additional requirements in the RD, RM, RP, RCM, RCM2, and RCM3 zones are a minimum 2.0 m wide landscape planting area.
  - g) All compost, recycling, and refuse bins in the zones permitting multiple housing shall be screened from view. Compost, recycling, and refuse bins shall also be screened for multiple housing developments in the RD zone. Screening for compost, recycling, and refuse bins in other residential zones is not required where an individual building houses less than four dwelling units. Storage of compost, recycling, and refuse bins is not permitted within the front or exterior side yard setbacks of any zone.”
6. Section 6 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 6.4.1 a) and substituting therefore a new subsection 6.4.1 a) as follows:
- “6.4.1 a) Where a residential development abuts a lane, there shall be no vehicular access permitted from the front of the lot and no parking or vehicle storage in the front yard. In the case of multiple housing developments with three or more buildings that are accessed by an internal road network, access may be permitted from the front or side of the lot at the discretion of the Development Officer and the City Engineer.”
7. Section 6 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 6.8.1 b) and substituting therefore a new subsection 6.8.1 b) as follows:
- “6.8.1 b) no exterior storage or operation of the home-based business shall be permitted unless otherwise specified in this bylaw.”
8. Section 6 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 6.8.3 and substituting therefore a new subsection 6.8.3 as follows:
- “6.8.3 Not more than one commercial vehicle shall be used in conjunction with the home-based business unless otherwise specified in this bylaw. Such vehicle shall have a gross vehicle weight rating of no

# Zoning Amendment Bylaw 2019-07

---

more than 7,257 kg and shall be parked or maintained on the site of a home-based business.”

9. Section 6 of Zoning Bylaw 2012-20 is hereby amended by deleting subsection 6.9.1 i) and substituting therefore a new subsection 6.9.1 i) as follows:

“6.9.1 i) notwithstanding section 6.8.1 b), minimal exterior storage is permitted for major home-based businesses in Country Residential zones, provided the materials being stored are screened from view, meet all setback requirements, and are limited to the interior side or rear yard.”

10. Section 7 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 7.3.5 and substituting therefore a new subsection 7.3.5 as follows:

“7.3.5 Parking spaces required for visitor use must be marked and maintained for this use and readily accessible to the entrance of the building served. Required visitor parking spaces shall not be allocated exclusively or specified as ‘exclusive use’ in subsequent subdivision or condominium applications.

11. Section 7 of Zoning Bylaw 2012-20 is hereby amended by deleting the existing “religious assemblies” row in Table 7.3.6 e) and substituting therefore a new row as follows:

Religious Assemblies	1	10 persons permitted in ceremonial room under occupancy	N/A	N/A	1
----------------------	---	---	-----	-----	---

12. Section 7 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 7.3.7 h) and substituting therefore a new subsection 7.3.7 h) as follows:

“7.3.7 h) a Development Officer may approve a 25% reduction in the minimum required off-street parking requirements for mixed-use developments in the CC, CM1, CM2, and CMW zones that have over 50% of their gross floor area dedicated to residential uses. Where a reduction in parking is applied, spaces may not be allocated exclusively or specified as ‘exclusive use’ in subsequent subdivision or condominium applications.”

13. Section 8 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 8.5.5 a) and renumbering the remaining subsections accordingly.

14. Section 8 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 8.5.15 a) and substituting therefore a new subsection 8.5.15 a) as follows:

“8.5.15 a) the sign shall not be wider than 0.76 m or more than 0.9 m in height.”

## Zoning Amendment Bylaw 2019-07

---

15. Section 8 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 8.5.18 c) and substituting therefore a new subsection 8.5.18 c) as follows:
- “8.5.18 c) only two sandwich board signs in total will be permitted to be placed on any street corner. Permits will be issued on a first come, first served basis.”
16. Section 9 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsections 9.8.5 f), g, and h) and substituting therefore new subsections 9.8.5 f), g) and h) as follows:
- “9.8.5 f) the minimum front yard setback is 4.0 m and the maximum front yard setback is 8.0 m.
- g) the minimum side yard setback is 1.5 m except in the case of a side-by-side duplex on separate adjacent lots, where one side yard setback may be reduced to zero.
- h) the minimum corner lot setback is 4.0 m from each street, 8.0 m maximum from one street, and 1.5 m from all other sides.”
17. Section 9 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 9.9.5 c) and substituting therefore a new subsection 9.9.5 c) as follows:
- “9.9.5 c) the maximum site coverage for lots with one side yard setback of 1.5 m is 45%. The maximum site coverage for lots with two side yard setbacks of 0.0 m is 55%.”
18. Section 10 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsections 10.3.5 b) and c) and substituting therefore new subsections 10.3.5 b) and c) as follows:
- “10.3.5 b) The minimum lot area is 875 m<sup>2</sup> where the parcel is connected to municipal water and sewer services.
- c) The minimum lot area is 0.5 ha where the parcel is not connected to municipal water and sewer services.”
19. Section 11 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 11.2.2 g) and substituting therefore a new subsection 11.2.2 g) as follows:
- “11.2.2 g) outdoor storage”
20. Section 11 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsection 11.4.2 q) and substituting therefore a new subsection 11.4.2 q) as follows:
- “11.4.2 q) outdoor storage”
21. Section 11 of Zoning Bylaw 2012-20 is hereby amended by deleting existing subsections 11.4.5 b) and c) and substituting therefore new subsections 11.4.5 b) and c) as follows:

# Zoning Amendment Bylaw 2019-07

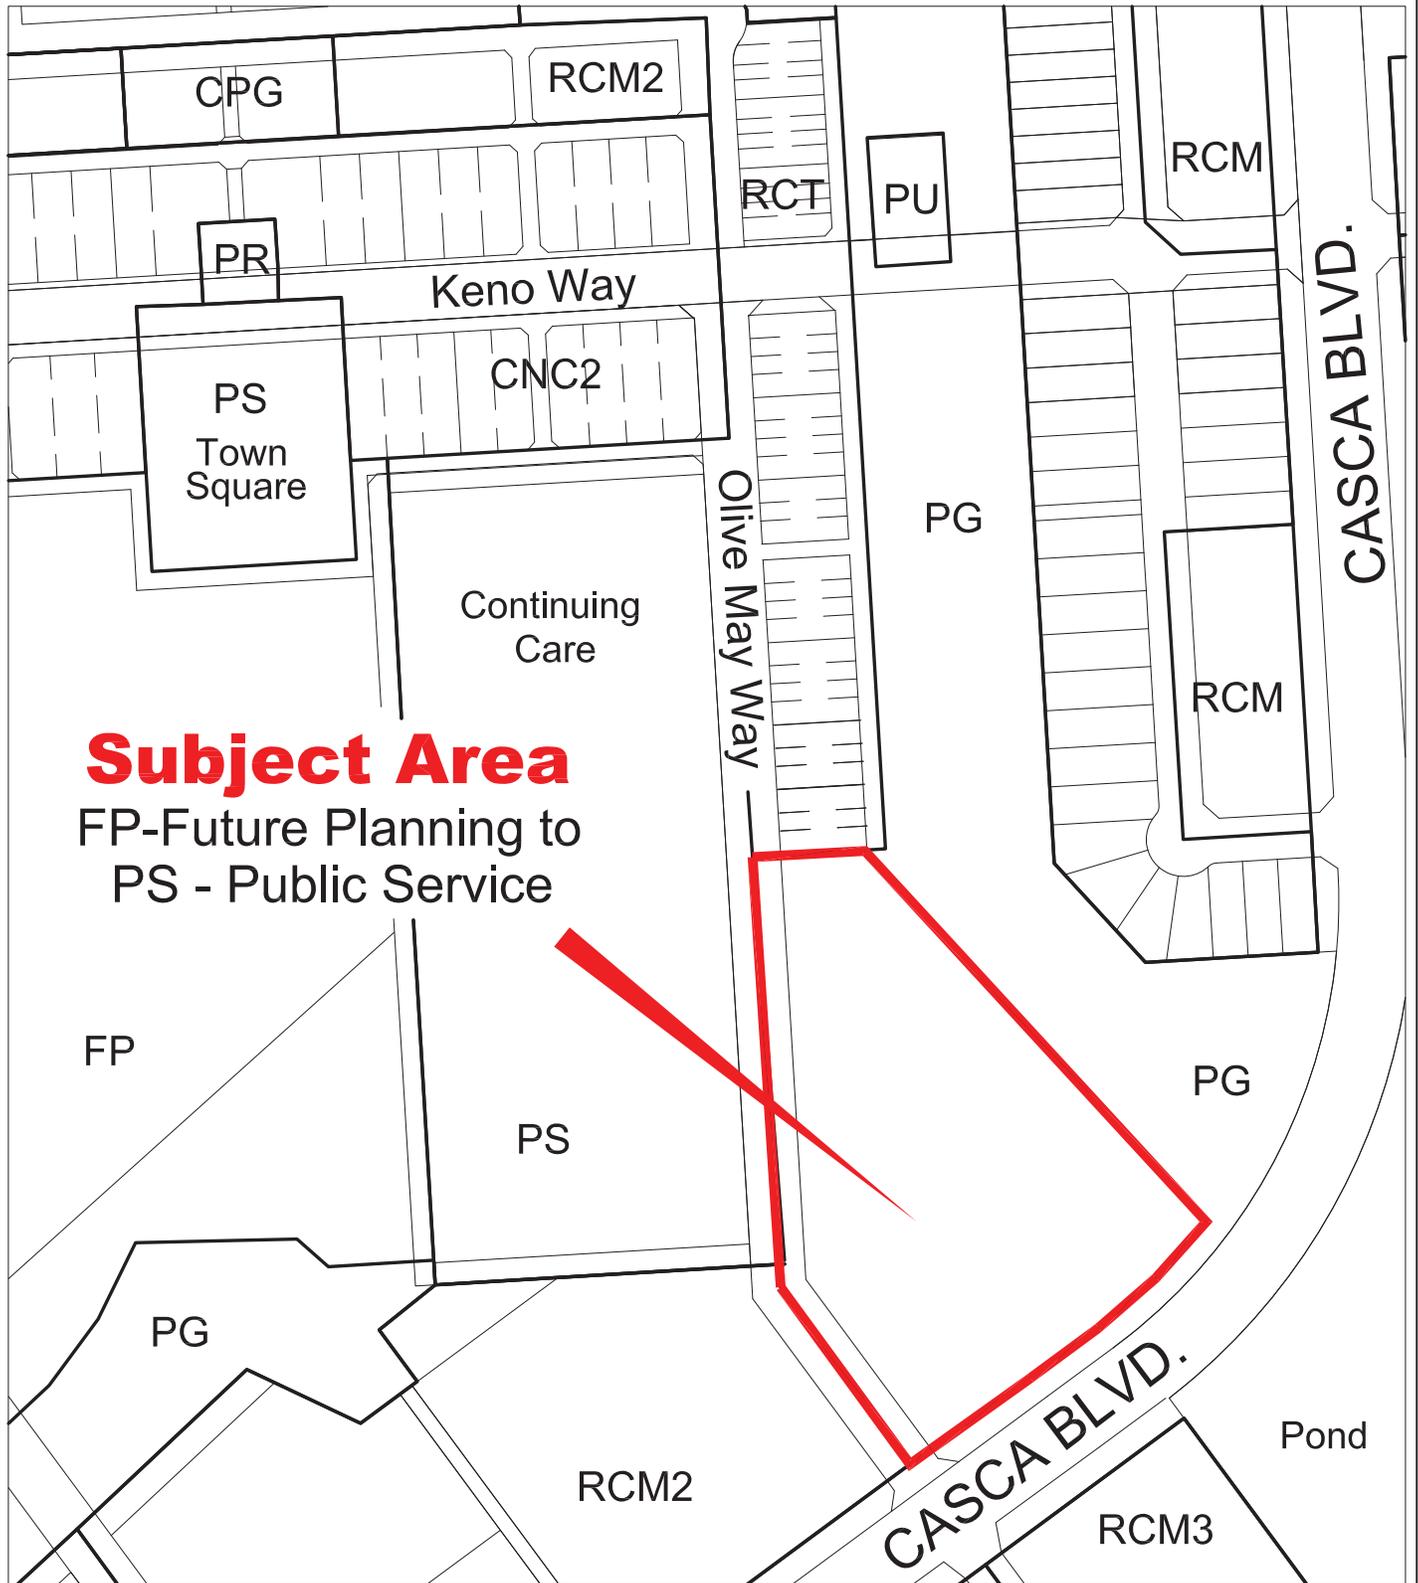

---

- “11.4.5      b)      The minimum lot area is 0.2 ha where the parcel is connected to municipal water and sewer services.
- c)      The minimum lot area is 0.5 ha where the parcel is not connected to municipal water and sewer services.”
22.      Section 14 of Zoning Bylaw 2012-20 is hereby amended by adding four new fines to the schedule of fines listed in subsection 14.11.1 as follows:
- |  |           |
|--|-----------|
| “Fail to comply with Zoning Bylaw regulations  | \$250.00  |
| Fail to comply with Zoning Bylaw regulations (2 <sup>nd</sup> or subsequent offence) | \$500.00  |

Department/Sub-Department	Capital Job	Reason for Re-Budget Request	2018 Revised Budget	2018 YTD Actuals	Re-budget amount requested
Director, Infrastructure & Operations	120c00115 ASSET MANAGEMENT	In 2018 departments were working on asset management as time allowed; for 2019 this project has been confirmed as a corporate priority. A consultant has been retained to measure progress to-date and recommend a path forward. Staff training on AM, departmental wages to collect data and manage the project, software modifications, and consultant fees are anticipated following receipt of the consultant's report. This is expected to be a multi-year project but significant progress is expected in 2019.	298,028	35,443	262,585
Legislative Services	220c00116 RECORDS MANAGEMENT	Other priorities related to the 2018 municipal election and orientation of the incoming council meant that the department did not have the capacity to oversee completion of the project in 2018. The re-budgeted amount will be spent on completing the project as originally designed, i.e., the development of a documentary framework for establishment of a corporate records management system, with related testing and training. The contract for the project ends August 31, 2019 and the project is expected to be complete by then.	52,612	17,850	34,762
Engineering Services	240c00111 LIVINGSTONE TRAIL LAGOON ODOUR MITIGATION	This is a multi-year project. Sludge sampling is required following the stabilization of the sludge after one year.	508,589	486,976	21,613
Engineering Services	240c00116 SELKIRK PUMPHOUSE SITE WORKS	This project was not completed in 2018 as industry capacity did not allow contractor to complete the work. The contract is in place and will occur in spring 2019.	135,000	7,107	127,893
Engineering Services	240c00117 Water License Renewal	This is a multi-year project involving YESAB and Water Board hearings.	170,000	109,069	60,931
Engineering Services	240c00317 Downtown Reconstruction - Alexander Street East (2-4th)	This is a multi-year project, only the landscaping remains and the project will be finalized in 2019.	3,525,500	2,917,215	608,285

Department/Sub-Department	Capital Job	Reason for Re-Budget Request	2018 Revised Budget	2018 YTD Actuals	Re-budget amount requested
Engineering Services	240c00318 Hamilton Boulevard Traffic Study	This project was not completed in 2018 as it became apparent that additional analysis was required at one of the intersections following a motor vehicle collision. The report will be updated in early 2019.	50,000	33,803	16,197
Engineering Services	240c00511 PORTER CREEK LAGOON REMEDIATION	This is a multi-year project. Further testing and site remediation will happen in 2019.	94,666	76,183	18,483
Engineering Services	240c00516 BLACK ST STAIRS DRAINAGE	The scope of the repair has changed significantly due to the accelerated deteriorating condition of the stairs. The contract was cancelled with the contractor and an amendment is required to change the scope of this project to be limited to detailed design in 2019. A budget request for construction will follow as part of the 2020 request.	70,867	1,775	45,000
Engineering Services	240c00711 DOWNTOWN RECONSTRUCTION - WHEELER ST WEST	This is a multi-year project, only the landscaping remains and the project will be finalized in 2019.	3,428,358	2,017,833	920,525
Engineering Services	240c00811 MARWELL LIFT STATION	This is a multi-year project. In 2019 the project will focus on the replacement of deficient pressure gauges in 2019.	2,290,680	2,087,248	203,432
Engineering Services	240c01118 Livingstone Trail Lagoon Influent Chamber Replacement	This is a multi-year project, completion of the detailed design and tender are scheduled for 2019 while construction won't begin until 2020.	90,000	40,704	49,296
Engineering Services	240c01218 Puckett's Gulch (Black St) Stairs Extension	This is a multi-year project, in 2018 the design was completed and the fabrication and construction are scheduled for 2019.	155,000	10,282	144,718
Engineering Services	240c01316 GROUNDWATER PROTECTION PLANNING & IMPLEMENTATION	Multi-year project. Update to Source Water Aquifer Protection Plan in 2019.	120,139	18,225	101,914

Engineering Services	240c02309 ASPHALT PATHS - VARIOUS LOCATIONS	The Lewes Blvd section of the project was delayed to coordinate with the construction of new Francophone School bus pull out. The contract is in place and will be completed in 2019.	200,000	41,118	158,882
Engineering Services	240c02609 SCADA PROGRAM	This is a multi-year project. The detailed design commenced in 2018 and is ongoing. The remainder of the work in 2019 includes tendering the supply and installation of the SCADA controls. The project will be complete in 2019.	541,428	20,946	520,482
Business & Technology Systems	300c00109 COMPUTER INFRASTRUCTURE	Procurement of computer, printer, server, and network replenishment were still pending towards the end of 2018 due to staff capacity issues. Planning for New Ops Building IT equipment was prioritized. The re-budgeted amount will be spent on new computer workstations, printers, servers, network equipment and related devices that will replace those that are 5 or more years old (end of life). Any funds not used will be re-allocated to 2019 to continue to provide necessary service levels and to meet the City's needs. This is a multi-year project though 2018 budget should be exhausted by December 2019.	740,061	342,870	397,191
Business & Technology Systems	300c00110 SOFTWARE ACQUISITION	CGC building controls software upgrade (Delta Controls and Orcaview) has started in 2018 but is still in progress. Relying on vendor availability to implement the project. Also, additional requests for new Microsoft and Adobe licenses continue to be received and need processing. The re-budgeted amounts will be spent on the continuation of upgrades for CGC building controls software (Delta Controls and Orcaview) and additional Microsoft and Adobe Licenses. The project will be complete in December 2019.	82,477	45,040	37,437

Business & Technology Systems	300c00111 SOFTWARE LICENSING RENEWALS	This is a multi-year project, funds for 2018 were not exhausted as there were issues with or clarification required from vendors that needed to be resolved. The re-budgeted amounts will be spent on PacWeigh (Water and Waste), OKTA, AutoCAD, HP ClearPass software renewals as well as Class 8 support extensions, if needed, while PerfectMind is being implemented. Re-budget amounts from 2018 are expected to be spent by December 2019.	586,655	557,262	29,393
Business & Technology Systems	300c00112 SECURITY CAMERAS	Security camera installation for City Hall was still pending at the end of 2018 and continued over to 2019. The landfill gatehouse cameras are still pending due to limited network connectivity options and resourcing/capacity issues. Re-budgeted funds will be spent on the replacement of old security camera equipment and Landfill gatehouse cameras. The project is expected to be complete by December 2019.	116,699	12,589	104,110
Business & Technology Systems	300c00113 ERP DEVELOPMENT	This is a multi-year project, providing for ongoing improvements, upgrades and enhancements to the City's core financial systems. There are ongoing discussions and consultations with various City Departments to collect and gather requirements. In 2019 the re-budgeted amount will be needed to fund the potential implementation of Operating Budget Plan modules and Asset Management modules in 2019. These have been identified as priorities by Council and Senior Management. Funds re-budgeted from 2018 are expected to be expended by December 2020.	132,509	16,568	115,941
Business & Technology Systems	300c00116 RECREATION ACTIVITY MANAGEMENT SYSTEM	The project was still in progress in 2018 is expected to continue in 2019. Business & Technology Systems	300c00117 Land and Building Services Records Digitization	The project started piloting of scanners in 2018, but the direction of the project is pending on the outcome of the Records Management (RM) policy and procedure review by Legislative Services. The Re-budgeted amount will be spent on new software licenses, data conversion/migration, implementation services, consulting, hardware, training and info campaigns. Depending on RM policy and procedure outcome, the first phase of the project is expected to be completed in 2020- 2021. This is a multi-year project.	118,000	4,570	113,430
Business & Technology Systems	300c00118 Radio and Location Equipment	Project spending was delayed in 2018 as decisions need to be made in consultation with the departments regarding radio technology (analogue vs. digital) and models to be used going forward. Discussions and research are still in progress. The re-budgeted funds will be spent on handheld radios that various departments are using. This is a multi- year project with 2018 funds expected to be fully expended by December 2019.	49,700	18,740	30,960
Business & Technology Systems	300c00212 PAPERLESS DOCUMENT MANAGEMENT	This is project is awaiting the completion of the records management assessment which will provide direction on how these funds will be spent going forward. The budget is also used for the periodic maintenance and repair of SharePoint and need to be carried over to the next year. In 2019 the re- budgeted amounts will be spent on repair and maintenance of SharePoint software and server which include licensing and consulting fees. This is a multi-year project.	29,737	288	29,449
Business & Technology Systems	300c00218 Bylaw Incident Reporting Software	The project was not completed in 2018 as BTS and Bylaw needed time to draft RFP for the system. In addition, more time was needed to revalidate project's direction in light of departmental changes in Bylaw. The re-budgeted funds will be spent on bylaw software and implementation which will include licensing, installation/configuration, implementation, training for staff and related. The project is expected to be complete in December 2019.	45,000	476	44,524

Business & Technology Systems	300c00314 Fire And Bylaw Computer Aided Dispatch	This project was not completed in 2018 because the project needed validation of direction in light of recent management changes in the Fire Services Department. Currently discussing options forward with Fire Chief and Deputy Fire Chief. The re- budgeted amount will be spent on a new assessment on Computer Aided Dispatch software that is that will satisfy the needs of the Fire Department. Depending on the outcome, further funds will be requested in 2020.	25,891	199	25,692
Business & Technology Systems	300c00318 Unified Communications (IP Telephony and VOIP)	This project was not complete in 2018 as resource and capacity issues prevented this phase of the project to initiate in 2018. When the network administrator was hired in the latter parts of 2018, he needed to get up to speed with the VOIP. By the end of 2018, reference materials have been purchased that enabled staff to draft a Terms of Reference. The project is in progress. City Clerk

## **CITY OF WHITEHORSE**

### **BYLAW 2019-12**

#### **Explanatory Notes:**

The attached bylaw amends the Fees and Charges Bylaw to reflect changes required per a quarterly operational review.

The changes are highlighted and include fee increases, deletions and some minor wording amendments to provide clarity as detailed herein:

- Remove the Development Cost Charge fee for Residential, Single Family units adding a secondary suite. Historically, this fee has been fully granted back under the development incentive policy. Removing this fee entirely eliminates the administrative work of collecting the fee and then granting it back.
  - Adjust Fee for Development Cost Charge, Residential Single Family, Secondary Suite, Approved Minor Development Incentive to \$0
- Increase the following parks fees by the standard 1.5% annual increase. These fee increases were missed during the previous round of fees and charges amendments
  - Memorial Bench, Supply and Install
  - Memorial Tree, Supply and Install
  - Rental Charge for the 10x10 Tent and 10 x 20 Tent
  - Rental Charge for the 20x20 Tent
- Add a new fee for extending the Vinyl Application – Full Bus Wrap advertising fee for additional years. The new fee is a reduced fee for the Full Bus Wrap, offered to customers that wish to extend a Vinyl Application – Full Bus Wrap beyond 12 months, for an additional 12 months and for each additional 12 month interval. This fee is equal to 2/3 of the current fee for the Full Bus Wrap. Providing a reduced rate for additional years of bus wrap advertising is intended to incentivize businesses to continue advertising with the City.
  - Add a new fee “Full Bus Wrap Renewal: each 12 Month Interval after the first year – Full bus wrap less areas required clear for safety”
- Add clarification for three other Vinyl Bus Wrap advertising fees:
  - Rename “Vinyl Application Bus Wrap – Yearly – 1/3 Side of the Bus” to “Vinyl Application Bus Wrap – Side of the bus: 12 Months – Top Runner, One Panel or Lower Portion”
  - Rename “Vinyl Application Bus Wrap – Yearly – Full side of Bus” to “Vinyl Application Bus Wrap – Full 1 Side of the Bus: 12 Months – 1 side of the bus Less areas required clear for safety”
  - Rename “Vinyl Application Bus Wrap – Yearly – 1/3 Exterior Bus” to “Vinyl Application Bus Wrap – Full Bus Wrap 1<sup>st</sup> Year: 12 Months – Full bus wrap less areas required clear for safety”
- Add a new per person/per hour labour charge–out fee for Water and Waste or Operations personnel for the hours outside of 7:00am to 5:30pm, with a minimum of 4 hours per call out at \$120 per person per hour.
- Amend the fee description for the per hour labour charge-out fee for Water and Waste or Operations personnel to include “for the hours between 7:00am to 5:30pm” and amend the unit of measure to “per person, per hour”

**BYLAW 2019-13**

A bylaw to amend Business License Bylaw 2017-24

---

WHEREAS section 247 of the *Municipal Act* (R. S. Y. 2002) provides that council may by bylaw impose and collect business licenses and fees, inspection fees, parking fees, recreation fees and other fees, utility charges, fines and penalties as considered necessary; and

WHEREAS section 247 of the *Municipal Act* provides that council may by bylaw take into revenue fines, interest on deposits and investments, any charges for the operation of any services or utilities under the control of Council, and any other funds the municipality may acquire; and

WHEREAS it is deemed desirable to license and regulate businesses carried on or operated within the City for, amongst other reasons, the health, safety and welfare of the citizens of the City of Whitehorse; and

WHEREAS council deems it appropriate to amend the Business License Bylaw to provide additional regulations for the operation of retail cannabis businesses in response to the federal legalization of cannabis;

NOW THEREFORE the council of the municipality of the City of Whitehorse, in open meeting assembled, hereby ENACTS AS FOLLOWS:

1. Section 5 of Business License Bylaw 2017-24 is hereby amended by adding a new definition for 'restricted goods' as follows:  
"RESTRICTED GOODS" means cannabis and cannabis-containing products.
2. Section 5 of Business License Bylaw 2017-24 is hereby amended by deleting the existing definition for 'retail services, restricted' and substituting therefore a new definition as follows:  
"RETAIL SERVICES, RESTRICTED" means the use of premises for the retail sale of restricted goods to the general public, and includes on-site storage to support the operations of those premises."
3. The Specific Business Regulations section of Business License Bylaw 2017-24 is hereby amended by deleting existing section 73 and substituting therefore new section 73 as follows:  
"73. A person who applies for a license to carry on a Retail Services-Restricted business shall submit, together with the requisite fees, an application in a form acceptable to the Designated Officer and the following documents:
  - (1) a copy of a valid licence to sell restricted goods issued by the Yukon Liquor Corporation;

## Bylaw 2018-40 – A Bylaw to Amend the Business License Bylaw

---

- (2) contact information for a responsible person or persons available to be contacted at any time;
  - (3) the certificate of title or the lease for the business premises; and
  - (4) such other documents as may be required by the Designated Officer.
4. The Specific Business Regulations section of Business License Bylaw 2017-24 is hereby amended by deleting existing sections 74, 75, and 79 and renumbering the remaining sections accordingly.
5. Appendix “A” of Bylaw 2017-24 (Voluntary Fines) is hereby amended by deleting sections 74, 75 and 79 and renumbering existing section 76 as section 74.
6. This bylaw shall come into full force and effect upon final passage thereof.

A bylaw to provide for a tax levy for the partial funding of a local improvement project on Cook Street

---

WHEREAS section 267(1) of the *Municipal Act* (R.S.Y. 2002) provides that a municipality may undertake any local improvement it considers necessary for the benefit of all or part of a municipality; and

WHEREAS section 267(2) of the *Municipal Act* requires that a bylaw to provide for and authorize a local improvement will prescribe which properties will benefit and how to determine the total cost or a portion of that cost that is to be levied against properties that will benefit from a local improvement; and

WHEREAS section 267(2) of the *Municipal Act* requires that a bylaw to provide for and authorize a local improvement will determine the levy to be charged against each property that will benefit over the probable life of the local improvement; and

WHEREAS section 267(2) of the *Municipal Act* provides that council may by bylaw levy the total cost or a proportion of the cost of a local improvement against the properties that will benefit from the local improvement, and provide the means for assessment, collection, and payment of the cost; and

WHEREAS the actual cost of the design and construction of the Cook Street Reconstruction Project is estimated to be \$7,400,000.00 of which \$485,050.18 will be raised by way of a special frontage charge, and \$6,914,949.82 will be contributed by the municipality at large; and

WHEREAS in order to construct and complete the project it will be necessary to borrow up to the sum of \$485,050.18 on the credit of the City by issuing debentures as herein provided; and

WHEREAS the amount of taxable assessment as last determined and fixed by the Assessment Review Board for 2018 was \$3,145,453,516; and

WHEREAS the amount of debenture debt of the City as at December 31, 2017 was \$8,182,899, no part of which is in arrears; and

WHEREAS the estimated life of the project exceeds fifteen years; and

WHEREAS it is considered necessary and expedient that the City undertake certain local improvement works, namely the construction of underground and surface works on a portion of Cook Street from Fourth Avenue to Eighth Avenue;

NOW THEREFORE the council of the municipality of the City of Whitehorse, in open meeting assembled, hereby ENACTS AS FOLLOWS:

## Cook Street LIC: Local Improvement Charges Bylaw 2019-09

---

1. Pursuant to section 269(1) of the *Municipal Act*, notice is hereby given that the council of the City of Whitehorse hereby authorizes a work of local improvement, being the construction of underground and surface works on the roadways abutting the properties as set out in Schedule "A" attached to and forming part of this bylaw.
2. The properties benefiting from this work of local improvement and their frontages have been determined in accordance with the provisions of City of Whitehorse Bylaw 2011-21 and are as set out in Schedule "A" to this bylaw.
3. The total cost of the local improvement has been determined in accordance with the provisions of Bylaw 2011-21.
4. A portion of the cost of the work is to be paid for by way of a frontage tax to be levied on those properties as set out in Schedule "A" to this bylaw, and a portion is to be paid for out of capital general funds.
5. For the purposes aforesaid, the sum of up to \$485,050.18 is to be borrowed by way of debentures issued on the credit and security of the City at large.
6. The sum of \$485,050.18 is to be collected by way of a special frontage charge assessment as provided in Schedule "A" to this bylaw.
7. The debentures to be issued under this bylaw shall be dated upon such day as may be appropriate having regard to the date of the borrowing, and shall be issued for the term of 15 years. The said debentures shall be issued in such manner that the principal and interest will be combined and be made payable in, as nearly as possible, equal annual instalments during the said 15 years.
8. The debentures shall bear interest during the currency of the debenture at a rate not exceeding the rate as fixed from time to time by the Department of Finance of the Government of Yukon as being the rate of interest applicable on loans to municipalities and others.
9. The Mayor and the Assistant City Clerk shall sign the said debentures, and the Assistant City Clerk shall affix thereto the corporate seal of the City.
10. There shall be levied and raised in each year of the currency of the local improvement hereby authorized the amount necessary to pay the annual amount of interest and principal falling due in each year on such debenture. The amount necessary shall be raised by levying a special assessment under the *Assessment and Taxation Act*, and there is hereby imposed on all lands set out in Schedule "A" attached hereto and forming part of this bylaw, an annual fee for each of 15 years. At the date of borrowing, the annual fee shall be computed based on the same interest rate as the borrowing allowed for in section 8 of this bylaw. The said special assessment shall be in addition to all other rates and taxes.
  - (1) The property owner has the option of paying the total property charge prior to its due date, or of paying equal annual instalments each of 15 years, commencing on the due date.

## Cook Street LIC: Local Improvement Charges Bylaw 2019-09

---

- (2) The property owner may reduce the balance owing on the total property charge by making a lump sum payment in any year during the life of the bylaw. Such lump sum payments shall be accepted only in the month of January each year.
- (3) The property owner may pay off the balance owing at any point during the 15-year life of the bylaw.
11. The frontage rate is determined as residential or non-residential in accordance with the property's assessment class. Should this assessment class change during the life of this bylaw, the unit rate may also change as required.
12. Any existing local improvement charges for surface works abutting any properties set out in Schedule "A" are hereby rescinded.
13. The provisions of section 269 and 270 of the *Municipal Act* respecting the giving of notice and hearing of objections shall be followed prior to final passage of this bylaw.
14. A public hearing will be held at the regular council meeting on **Tuesday, April 23, 2019** at which council will hear and consider any submissions respecting the proposed project and local improvement charges. The meeting will take place in Council Chambers at City Hall, beginning at 5:30 p.m.
15. The provisions of this bylaw shall come into full force and effect pending budget approval.
