ADMINISTRATIVE REPORT

TO: Operations Committee
FROM: Administration
DATE: January 6, 2020
RE: Donation of Fire Rescue Vehicle

ISSUE

Donation of the City's 1996 Rescue Vehicle to the Government of Yukon.

REFERENCE

Council Policy: Purchasing and Sales

HISTORY

The City of Whitehorse acquired a rescue vehicle in 1996 using a combination of federal, Yukon government and City funding. The 1996 rescue vehicle was replaced in December 2019. A request has been received from the Yukon government to acquire the 1996 rescue vehicle (unit 5509) being retired by the City.

ALTERNATIVES

1. Donate City of Whitehorse's 1996 rescue vehicle to the Yukon government.
2. Do not approve the donation request and tender the disposal of the 1996 rescue vehicle.

ANALYSIS

Disposal of all City assets are made either via public bidding process or as directed by Council.

The Yukon government's Protective Services Branch would like to acquire the retired rescue unit from the City to be able to bolster its fleet of available vehicles on standby for large scale incidents or multi-day urban interface operations.

The City's Fire Services and Protective Services Branch have a long standing working relationship of cooperation to protect residents of the City and territory. While unlikely to remain as a front line emergency response vehicle, it would be desirable for this unit to remain within the Yukon to serve as a piece of equipment available for large scale incidents.

ADMINISTRATIVE RECOMMENDATION

THAT Council approve the donation of City 1996 rescue vehicle (unit 5509) to the Government of Yukon.

RE: 2019 Umbrella Grants Bylaw

ISSUE

Authorization of various grants made in 2019

REFERENCE

Municipal Act

Council resolution #96-23-08

HISTORY

Section 245 of the *Municipal Act* requires that grants provided to any person, institution, association or group be authorized by bylaw.

The City provides a variety of grants and donations to groups and organizations throughout the year. In 1996 Council adopted a process to facilitate the allocation of grants that allows grant funds to be initially approved by council resolution and subsequently authorized in an umbrella grant bylaw at year-end. This system allows the distribution of funds to qualified and approved applicants in a timely manner without the administrative and time delays that are part of the bylaw process.

ANALYSIS

Attached is a bylaw listing the grants approved according to council policy and by council resolution throughout 2019. They include:

- Community Clean-up Grants
- Core Funding Grants
- Development Incentive Grants
- Environmental Fund Grants
- Festival and Special Events Grants
- Heritage Restoration Incentive Grants
- Miscellaneous Donations and Grants
- Recreation Grants

The total value of grants and donations authorized in this bylaw is **\$650,636.04**

ADMINISTRATIVE RECOMMENDATION

THAT Council direct that Bylaw 2020-01, a bylaw to authorize the allocation of various grants for the year 2019, be brought forward for consideration under the bylaw process.

WHEREAS section 245 of the *Municipal Act* (R.S.Y. 2002) provides that council may by bylaw provide grants to any person, institution, association, group, government or body of any kind; and

WHEREAS in 1996 council adopted a process that approves a variety of grants by council resolution throughout the year and subsequently authorizes these grants by way of an umbrella bylaw at year end;

NOW THEREFORE the council of the municipality of the City of Whitehorse, in open meeting assembled, hereby ENACTS AS FOLLOWS:

1. Community Clean-up Grants, Core Funding Grants, Development Incentive Grants, Environmental Fund Grants, Festival and Special Event Grants, Heritage Restoration Incentive Grants, Miscellaneous Donations and Grants, and Recreation Grants are hereby authorized as outlined in Appendix "A" attached hereto and forming part of this bylaw.
2. Council may by resolution withhold the payment of any grant authorized under section 1 of this bylaw if the recipient fails to adhere to any terms and conditions determined by council.

RE: Write-off Uncollectible Accounts

ISSUE

Cancellation of uncollectible accounts receivable

REFERENCE

Municipal Act

HISTORY

The City follows generally accepted accounting principles (GAAP). On occasion, fees and charges are levied and recorded that cannot subsequently be collected.

ANALYSIS

In all cases listed in the proposed bylaw, in-house collection procedures have been exhausted and it has been determined that there is little chance of recovery. GAAP requires that the unrealizable assets be written off against existing allowances to accurately record the reduced likelihood of collection. In order to do so council must cancel the uncollectible amounts in accordance with section 233(3) of the *Municipal Act*, through a bylaw process.

In certain circumstances, an account will remain with a collection agency or credit bureau for possible further action as identified in the bylaw. There is a small possibility that some collection will occur subsequent to write-off. In that event the collection will be appropriately recognized in the City's financial records.

ADMINISTRATIVE RECOMMENDATION

THAT council direct that Bylaw 2020-04, a bylaw to authorize the write-off of uncollectible accounts, be brought forward for consideration under the bylaw process.

CITY OF WHITEHORSE

BYLAW 2020-04

A bylaw to authorize the write off of un-collectible accounts

WHEREAS section 233 of the *Municipal Act* (R.S.Y. 2002) provides for the cancellation of tax arrears where such taxes are not secured against land in the municipality and arrears of fees, penalties, municipal charges or interest charges; and

WHEREAS section 60 of the *Assessment and Taxation Act* provides for the discharge of certain taxes; and

WHEREAS it has been determined that certain debts outstanding to the account of the City of Whitehorse are un-collectible;

NOW THEREFORE the council of the municipality of the City of Whitehorse, in open meeting assembled, hereby ENACTS AS FOLLOWS:

1. The debts hereinafter described are written off:

<u>Date</u>	<u>Description</u>	<u>Amount</u>
2018	Parking fines issued to non-Yukon license plates	\$22,350.00
2017	Montana Rose Coburn	\$4,126.55
2019	Ashley Ferguson	\$52.50
2017	Joleene Mari Murphy	\$1,151.30
2018	Uncollectable finance charges (under \$15 each)	\$136.78
	<u>Total</u>	<u>\$27,817.13</u>

2. This bylaw shall come into full force and effect upon the final passing thereof.

Assistant City Clerk

Write Off Un-collectible Accounts Bylaw 2020-04

Explanatory Notes:

A bylaw is required to write off un-collectible accounts. The accounts outlined in this bylaw are deemed un-collectible for the following reasons:

Non YT Parking Fines

The City does not receive information as to the registered vehicle owners not licensed in the Yukon and therefore we have no recourse to collect these fines. Currently parking fines issued to non-Yukon license plates have a 50% collection rate. In 2018 there was 1783 parking tickets issued to no Yukon license plates and the City received full payment for 869 of these. The fines included in the Bylaw were issued in 2018 and remain unpaid as of December 2019.

Montana Rose Coburn

Client breached the repayment agreement that was put in place with the City in September 2017. This account has been filed with Metropolitan Credit Adjusters in November 2018 and will remain active in collection until 2025 unless paid.

Ashley Ferguson

NSF membership payment at the Canada Games Centre in January 2019. As the account was not used the membership amount was reversed but the NSF amount and interest are still outstanding. Amounts under \$100.00 are not eligible to file with Metropolitan Credit Adjusters for collection.

Joleene Mari Murphy

Client breached the repayment agreement that was put in place with the City in May 2017. This account has been filed with Metropolitan Credit Adjusters in January 2018 and will remain active in collection until 2025 unless paid.

Uncollectable Finance Charges

32 accounts with finance charges in amounts less than \$15. These accounts are not regularly active accounts, and the outstanding balances are predominantly the result of timing differences between when payment is sent from a customer via courier or regular mail and when it is delivered to the City. Amounts under \$100.00 are not eligible to file with Metropolitan Credit Adjusters for collection.

RE: Authorize Council Travel

ISSUE

Authorization of travel expenses for council members

REFERENCE

Council Remuneration Bylaw 2018-11

HISTORY

The Council Remuneration Bylaw requires prior approval from council for all requests for funding or reimbursement of expenses incurred in conjunction with travel by members of council outside the City of Whitehorse.

The City has been a member of the Canadian Capital Cities Organization for many years and in recent years Councillor Boyd has represented the City at their semi-annual meetings. The winter meeting will be held in Ottawa in January.

The 2020 Arctic Inspiration Prize awards ceremony and conference will take place in Ottawa from February 5th to 8th, 2020. The conference bills itself as Canada's #1 Arctic and North Showcase. The City of Whitehorse has participated as a prize partner for a number of years and Whitehorse was the location for the prize ceremony held in 2019.

ALTERNATIVES

1. Authorize the requests for travel expenses
2. Deny the requests for travel expenses

ANALYSIS

Councillor Boyd has indicated his willingness and intention to attend the winter meeting of the Canadian Capital Cities Organization.

Mayor Curtis has been invited to attend the Arctic Inspiration Prize awards ceremony to participate in the announcement that it will return to Whitehorse in 2021.

ADMINISTRATIVE RECOMMENDATION

THAT council direct that travel and per diem expenses be authorized for Councillor Boyd to attend the Canadian Capital Cities Organization semi-annual winter meeting in Ottawa in January; and

THAT Council direct that travel expenses and per diem expenses be authorized for Mayor Curtis to attend the Arctic Inspiration Prize awards ceremony and conference to be held in Ottawa in February.

1. Renewal of Subdivision Approval – Whistle Bend Phase 5
Presented by Acting Director Patrick Ross

ADMINISTRATIVE REPORT

TO: Planning Committee
FROM: Administration
DATE: January 6, 2020
RE: Renew Subdivision Approval – Phase 5 Whistle Bend

ISSUE

Renewing the subdivision approval for Phase 5 of Whistle Bend.

REFERENCE

- *Municipal Act*
- Zoning Bylaw 2012-20
- Subdivision Control Bylaw 2012-16
- Development Cost Charges Bylaw 2012-12
- Subdivision Sketch

HISTORY

The City of Whitehorse has been working with Yukon government (YG) on the development of the Whistle Bend Subdivision. As part of this process Council and Administration have issued a number of subdivision approvals between 2009 and 2019.

The *Municipal Act* and Subdivision Control Bylaw 2012-16 dictate that subdivision approvals are valid for one year and may be extended at the request of the applicant for a further year.

The approval for Phase 5 of the neighbourhood was granted by Council on January 18, 2018 and was granted an extension until January 18, 2020. YG's construction of Phase 5 is incomplete, requiring the subdivision approval to be renewed by Council.

ALTERNATIVES

- 1) Renew the subdivision approval.
- 2) Do not renew the subdivision approval.

ANALYSIS

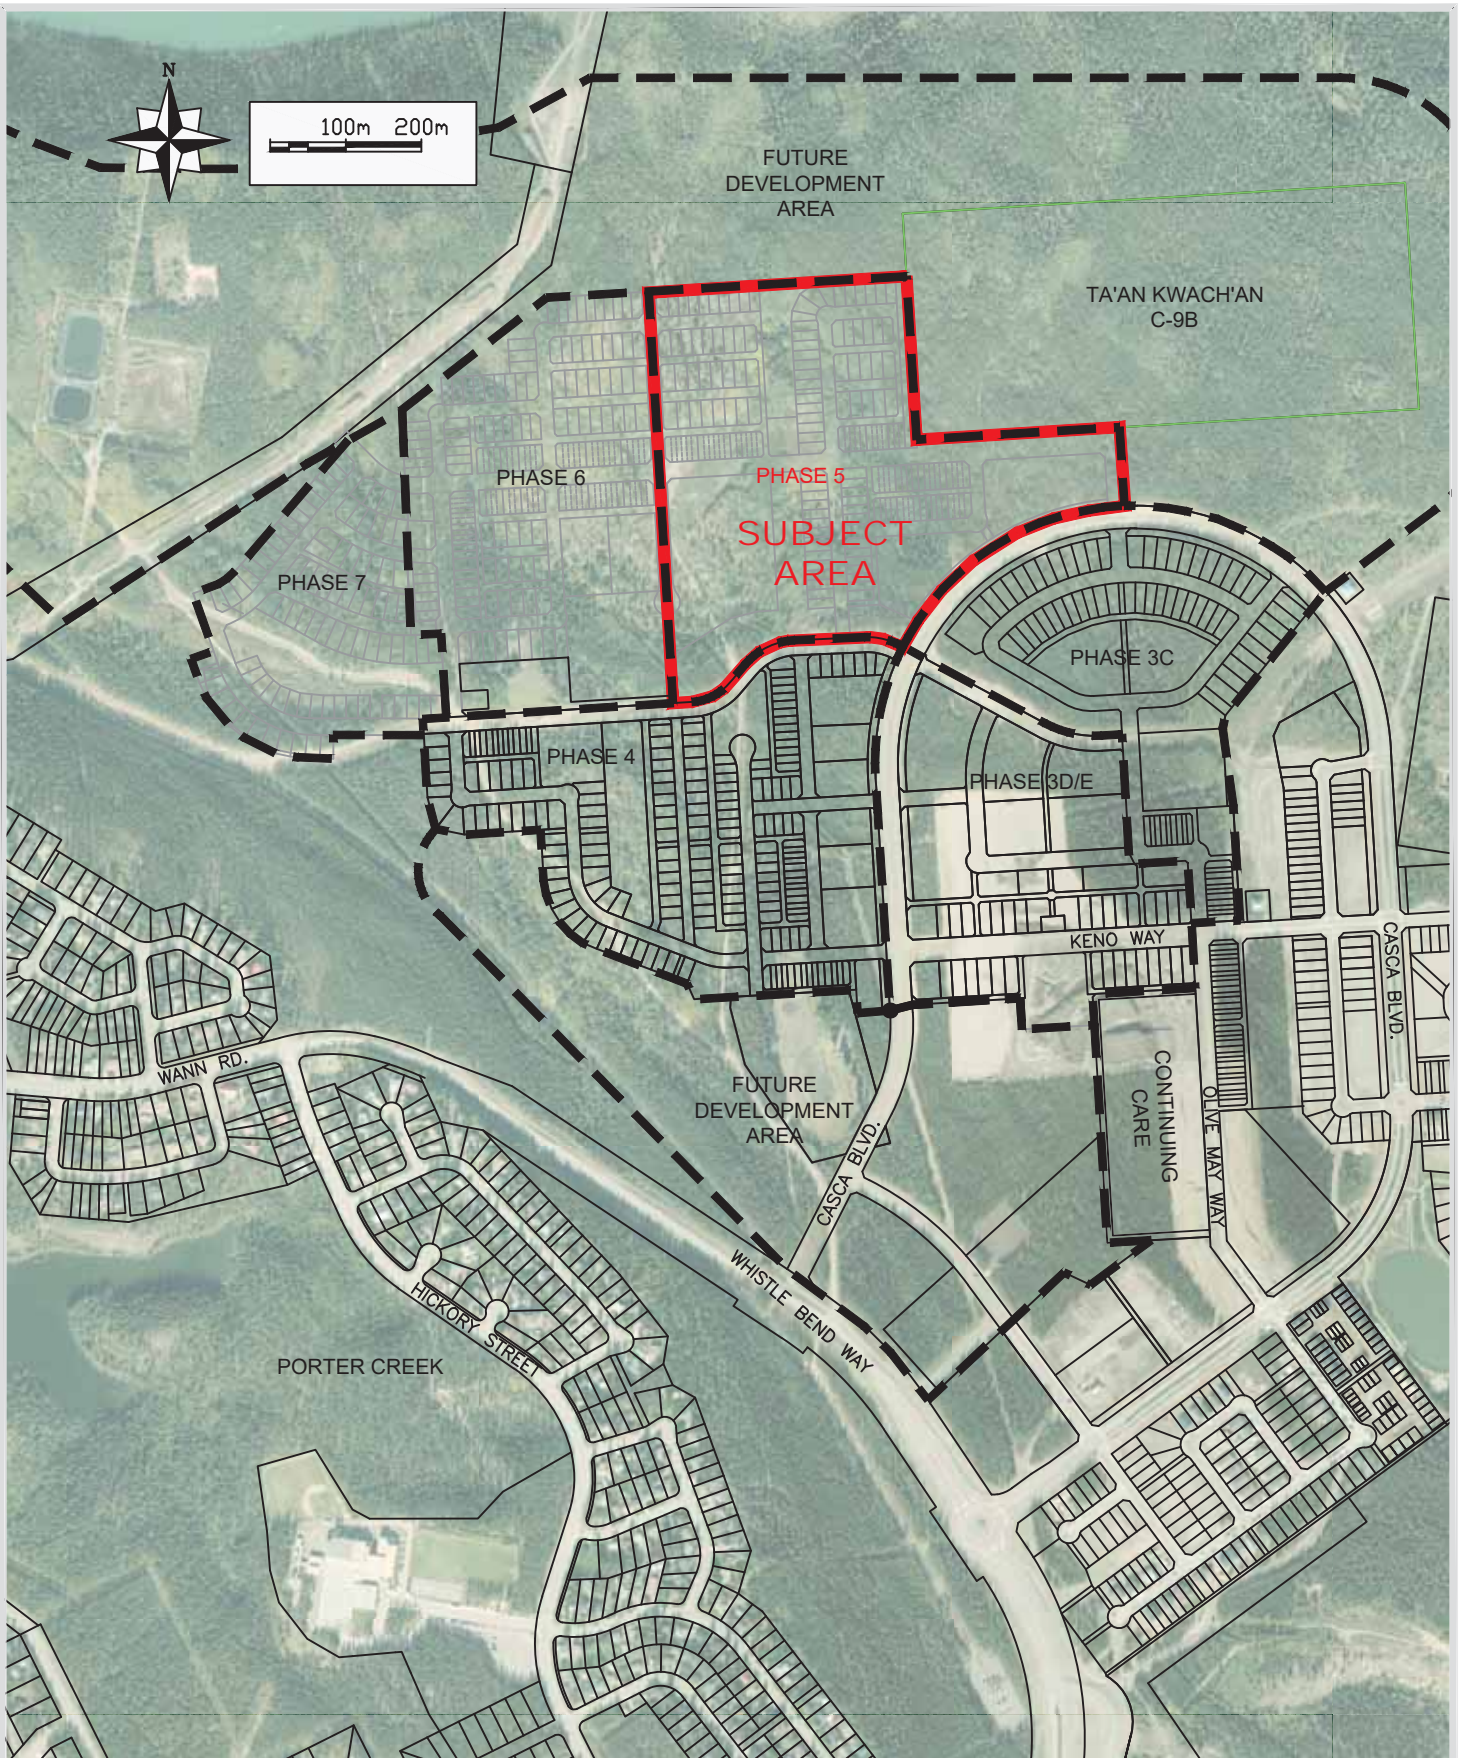

The application area consists of approximately 20.9 ha of land, comprising the former CBC tower site (18.9 ha) and vacant Yukon land. The application area has a variety of zones resulting in 100 single family lots, 64 townhouse lots, two multi-family lots, three large greenbelts, one institutional use lot, and one park lot. All of the proposed lots conform to the applicable regulations of Zoning Bylaw 2012-20.

The Development Agreement that was a condition of the original subdivision approval has been completed under the provisions of Development Agreement Regulations Bylaw 2012-15. A new agreement is not required for renewal of the subdivision approval.

Public use land dedication, street naming, and residential development cost charges were also addressed through the original subdivision application process. However, the name Scout Street is proposed to be changed to Neecheah Street, at the request of Ta'an Kwäch'än Council. The street may one day be extended into their settlement parcel C-9B, and they preferred a name other than Scout Street.

ADMINISTRATIVE RECOMMENDATION

THAT Council renew the subdivision approval for the subdivision of approximately 20.9 hectares of land for the creation of new residential lots, one institutional lot, greenbelts, lanes, roads and a park lot in the area known as Whistle Bend Phase 5, as shown on the proposed subdivision sketch.
