

SCENES FROM THE TRAIL NETWORK

Incredible views

Beautiful
ridgeline
trails

Opportunities and Assets

Infrastructure investments that facilitate
connectivity and active transportation

Impacts on environmentally
sensitive areas

Stewardship and
interpretation of
special places;
grassroots and
government
partners

Issues & Challenges

Highways and major
roads bisecting the
network; uncontrolled
and unsafe crossings

Incursion of
motorized vehicles
and proliferation
of ad hoc trails on
south-facing
hillsides and other
open areas
